Mark 2:23 - 3:6

Icebreaker question—What is your favorite song? If you don't have a favorite, what song is one of your favorites that you always enjoy listening to?

1. Where do you suppose the Pharisees got the idea that the disciples of Jesus were doing something unlawful (v. 24)? Compare Deut. 23:35.
2. What does verse 27 mean to *you* as a New Testament believer?
3. In verse 1 of chapter 3, why do you suppose that Jesus heals someone who isn't even asking to be healed and why do you suppose that the man with the withered hand *isn't* asking to be healed?
4. Why do you think the Pharisees don't answer Jesus in v. 4 when he asks a question that has such an obvious answer?
5. What do you think makes Jesus angry in v. 5? Do you suppose that this still angers him?
6. What are Herodians and what would possess Pharisees to team up with them?
