## Mark 3:7 - 30

Icebreaker question—Who is your favorite author?

1. In verse 12, why do you suppose Jesus commands unclean spirits to not disclose his true identity?
2. In verse 14 He ordained apostles that:
  - They should be with Him
  - He might send them forth to preach
  - And to have power to heal sicknesses
  - And to cast out devils

- Does this speak to you at all?
3. Why don't any of the NT lists of disciples agree? (Mt. 10:2-4, Lk 6:14-16, Acts 1:13)
4. Does this bother you?
5. Talk about a "house divided"
6. In your own words, what do you suppose "blasphemy against the Holy Ghost" is?
