Mark 3:31 4:20

Icebreaker question—What is your favorite musical? We've never seen it before. Sell us on it.

1. Read Mark 3:31. What would you say (or what have you said) when someone says to you that they find your disbelief in the perpetual virginity of Mary degrading to her?
2. Besides the “good ground” is there another one of the soils that you identify with?
3. In verse 12, it almost sounds as if Jesus *doesn't* want their sins forgiven them. How can this be?
4. Who is the sower? Why do you think that is?
5. “He that hath ears to hear, let him hear”. Does this phrase remind you of any other scripture?
6. What do you suppose the point of this parable is? Another way of asking the question is, why do you think He told it?
