Mark 4:21 - 41

Icebreaker question—If you could have dinner with any fictional character, who would you pick?

1. Jesus ends verse 20 by talking about the 30, 60, and 100 times harvest of the seed in the good ground, and in verse 21, He is talking about how to display a lamp. Why do these ideas flow together in successive verses?
2. What do you hope verse 22 is *NOT* talking about?
3. How does verse 24 connect with the parable of the 4 soils?
4. Verse 34. Does Jesus still expound all thing to His disciples? Why or why not do you think this is the case? Give at least 2 scriptural references (in the mouth of two or three witnesses...)
5. Verse 40. If Jesus was rebuking you for your fear, what would He be most likely referring to?
6. Verse 40. If Jesus was rebuking you for your lack of faith, what would He be most likely referring to?
7. Verse 41. The disciples are exceedingly afraid yet there seems not to be any rebuke. Please comment.
