Mark 10:1-12

What's one word that describes love to you?

What's one word that doesn't describe love to you?

1. Read Deuteronomy 24:1-4. What do the verses allow? What do they prohibit?
2. Read Genesis 2:7-8, also verses 18-25. What one thought sticks out to you the most?
3. Verse 2 of Mark 9 says that the Pharisees were testing Him. Why are views on marriage a test of anything?
4. If a person who has been divorced gets remarried and is committing adultery, doesn't that make that person ineligible for heaven. Is there a statute of limitations on adultery? If your second marriage lasts longer than your first marriage does it make the first one "null and void"?
5. If you were a justice of the peace of a pastor of a church, would you marry someone who has been divorced?
