## Mark 13:1-13

Not counting the Bible, what is the best book you've ever read?

---

1. Generally speaking, what verse or verses about the Olivet Discourse do you have trouble understanding, or what verses can't you fit into your eschatological world view?
2. In verse 1 Jesus' disciples remark to Him about the temple "Teacher, look! What massive stones! What impressive buildings!" CSB. What is going on with Jesus response?
3. Jesus' response in verse 2 is clearly not what the disciples were expecting. Can you recall a time when you've lost your heavenly perspective for something of less importance?
4. Why are verses 5 and 6 important? Before you answer, read Matthew 24:24.

Sometimes Christians become so obsessed with the darkness around them that they forget about the hope that is within them.

5. Do you agree or disagree with the above quote? Why or why not? Is this something that is true of you?
6. Are you ready for Jesus' return? Why or why not?
7. This passage can get people to have a lot of anxiety. What does Jesus say (in the first 13 verses) to mitigate that?
