Mark 14:17-42

If you could pick up a new skill or talent in an instant, what would it be and why?

1. Read verse 21. How can it be true? How can non-existence be better than any other option?
2. Read verses 22-25. There has been much debate through the centuries regarding these verses. What is it that you suppose Jesus is saying?
3. Verse 26 says that they sung a hymn. The songs that they would sing are Psalms 116-118. Read these Psalms now. Are there any verses that jump out at you especially in light of what Jesus will be undergoing in the next few hours?
4. What does Jesus' foretelling Peter of his denial of knowing Him tell us about ourselves?
5. Does verse 36 teach you anything about your own prayer life?
6. If you were teaching on Mark 14:38, what would you say?
