Mark 14:43-72

What would your last meal be and why are you on death row to begin with?

1. What do you think about Judas using a kiss as a signal of betrayal? Read Proverbs 27:6.
2. Why would a signal be necessary anyway? Wasn't Jesus famous and didn't everyone already know who He was?
3. Read John 18:1-12. We understand that the unnamed one in Mark 14:47 was Peter. We further know from Luke's account that Jesus healed the servant (whose name was Malchus). Do you suppose that Peter was acting in the flesh or in the Spirit. Give reasons for your answer.
4. Do you think verse 50 would have had a different outcome if the disciples had stayed awake with Jesus in the garden and prayed?
5. Read verse 64. Is Jesus guilty of blasphemy?
6. Read 66-72. What does Peter's denial of Jesus teach us?
