Deuteronomy 1

If you were going into the witness protection program and had to change your name, what would you change it to and why?

1. What is the Jewish title of the book and why is that significant?
2. In verses 2 and 3 we find the Israelites camped out in the 40th year of an 11-day journey? Why is that?
3. What's the connection between verses 4 and 5?
4. Explain the connection between verse 6 and Galatians 3:24.
5. What do you think your last Kadesh-Barnea moment was and how did you do?
6. Read verse 36. What does that speak to your heart?
7. Does verse 43 say anything to us?
8. Why is it that Joshua can bring the children of Israel into the promised land and Moses can't? Does John 1:17 give us any insight?
