Deuteronomy 6

What's your favorite Psalm? Could you read it to us please?

1. Verse 2 tells us to “fear the LORD” while verse 5 tells us to “love the LORD”. How do you personally reconcile these two commands in your own life?
2. Do you feel that you love the LORD with your whole heart, mind, and strength?
3. Read verses 7-9. Comment.
4. Read verses 10-19. Among other things, the children of Israel were not to take the blessings of God for granted. Are there some ways that you take God's blessings for granted?
5. Read verses 20-25. What events in our history should we tell to our children?
6. Why do you suppose that Moses put such a strong emphasis on teaching children?
7. According to the chapter, what are the qualifications for teaching children?
