## Deuteronomy 7:1-8:6

What is one thing we don't know about you?

1. If you were to summarize Deuteronomy 7 in a single word or phrase—what would it be?
2. Read verses 1-5. Let's discuss the enemies that threaten your relationship with God. What are you doing to destroy those enemies and in what ways do we allow these powerful forces to remain in our lives?
3. Read verse 7. Why does it matter that Israel did not choose the Lord; rather, He chose them? Is this also true of believers today?
4. Read verse 9. Can you site a personal experience with God that you look back on for encouragement?
5. Read verse 22. Why do you suppose driving out the nations "little by little" is part of God's program?
6. What aspects of God's character revealed in Deuteronomy 7 are most impactful as you consider obedience?
7. Read chapter 8:3-5. Why do you suppose humbling (verse 3) is part of God's program?
