Tell us something your parents did wrong.

Tell us something your parents did right.

1. Read verses 10-17. Why is it harder to maintain our relationship with the Lord in a time of prosperity rather than in times of hardship?
2. Read verses 19-20. Do you suppose this promise was to ancient Israel, us as individuals, or us as a nation?
3. Read Deuteronomy 9:1-3. Why is God always wiping out people in the Old Testament but forgiving them in the New Testament?
4. Read verses 4-6. How is Israel's potential self-righteousness dealt with in these verses?
5. To what extent do you cite your morality or service to God as the basis of your success? What is wrong with this attitude?
6. Read Deuteronomy 10:12-13. Read Micah 6:8. Comment.
