Deuteronomy 20

If your life was a movie, would you be entertained? Would you admire your own character and the decisions they've made?

1. Compare verse 1 with verse 8. Explain.
2. Why do you suppose God references Egypt in verse 1?
3. Reprieves from battle were given in verses 5, 6, and 7. Why do you suppose that is?
4. What do the reprieves have in common?
5. Explain verse 10.
6. Explain verse 16 in light of what you know about God from John 3:16 and verses like it.
7. Why do you suppose God allows non-fruit trees to be destroyed in battle?
