Deuteronomy 21 - 22

What's your favorite Olympic sport (summer or winter)?

1. Read Deuteronomy 21:10-14. What do you think about these proceedings?
2. Read verses 15-17. What do you think about the Bible's failure to outright condemn polygamy?
3. Read verses 18-21. Do you suppose this was a common practice in Israel? do you suppose it *ever* happened? If you were Czar, would you institutionalize this practice in America today?
4. Read verses 22-23. Comment?
5. Read 22:1-4. How does this apply to today? Isn't it really just a matter of "finder's keepers"?
6. Read verse 5. What is your take on this?
7. Read verses 9-11. Comment.
8. read verse 12. Are there ways in which we practice is today?
9. Why do you suppose virginity was so much more important than it is today?
