Deuteronomy 33 - 34

If you HAD to be famous for something, what would you like that something to be?

1. Read Deuteronomy 33:1-24. Of which of the tribes, if you could appropriate their blessing, which one would you select for yourself?
2. Have you ever had a sense of receiving God's blessing?
3. Read Deuteronomy 34:1-4. Why do you suppose God showed Moses the Promised Land in light of the fact that he wasn't going to go there? What was the point?
4. What title is Moses called in verse 5? What would you like your title to be?
5. Read verse 7. What do you suppose the coroner's report wrote in for "cause of death"? In other words, what did Moses die of?
6. Read verse 9. Do you suppose that "the laying on of hands" by Moses had anything to do with Joshua "being full of the spirit of wisdom"?
