## Romans 4

What's the weirdest gift you've ever given or received?

1. What do you suppose is the main theme in Romans 4?
2. If you were to ask people how to made right with God, what do you suppose those answers would be?
3. Why?
4. How does Abraham's believing God bring him into a new reality? For that matter, how does yours?
5. If living by faith is a receiving and resting in Christ, why is it so hard?
6. In Psalm 51, David prays in verse 7, "purge me with hyssop and I shall be clean". Hebrews says that "without shedding of blood, there is no remission". Isn't this a contradiction?
