Sunday January 8, 2023

Do you spend more time planning the future or thinking about the past? Why?

1. In light of Romans 7, do you still believe in New Year's resolutions?
2. What is the Christian's relationship to the law?
3. Doesn't verse 1 teach us that we're under the law until we die?
4. Couldn't the Sermon on the Mount be viewed as New Testament laws?
5. One commentator wrote, "Romans 7 is NOT about the typical Christian life. It's what to expect with life under the law". Agree or disagree?
6. Read verse 7. Why do you suppose Paul asks that question.
7. Read Romans 3:19. How does this figure into our deliberations?
8. Read Psalm 68. Which verse speaks to you and why?
