What really frustrates you?

1. What do you suppose Romans 11 is about?
2. Paul gives two answers to the question he poses in Romans 11:1. Why do you suppose the answer to these questions has failed to convince the majority of Christendom that God HAS NOT rejected Israel?
3. According to verse 7, do you suppose that religious zeal leads people to God? Why, or why not?
4. Read verse 8. Why would God do this? Isn't the idea to get people to believe?
5. Why specifically did Israel "stumble"?
6. What positive effects will the Israelite's final restoration have on the world? When will this occur?
7. In verse 26, what do you suppose "all Israel" includes?
8. Let's read Psalm 118 together. Which verse speaks to you?
