Sunday March 19, 2023

What do you think is the most beautiful thing you've ever seen or experienced?

1. Read verses 1-5. How do we practically obey this section? When is it right to disobey? How do you know when to obey and when to rebel?
2. Is capital punishment Biblical?
3. Read verse 6. In 1900 "Tax Freedom Day" was January 22. In 2023, it is April 18. This means that you work for 4 months before you realize any wages that you get to keep. Do you suppose if Paul knew the confiscatory tax laws of America, he would still command us to pay taxes?
4. Read verses 8-10. Is Paul requiring us to keep the law?
5. Explain verse 12.
6. Let's read Psalm 119:113-176 together. Which verse or which octrain speaks to you?
