Name three qualities you look for in a friend?

1. Read verse 9. Which analogy appeals to you better?
2. Read verse 12. None of us builders use these materials (except wood). Why is Paul giving us these examples? What do you suppose is his point?
3. Read verses 16-17. Comment (remember “you” is in the plural).
4. Read verse 19. Give an example of “worldly wisdom”. (Maybe go right around the room.)
5. Read verse 5 of chapter 4. Comment.
6. Read Psalms 140-144. What verse or Psalm speaks to you?
