1. Two issues confronting Paul in Corinthians 5. One. A man is living in fornication with his step-mother. Two. The church has no issue with this. Which sin do you suppose is worse?
2. Verse 5 seems to indicate that the man is saved and will not go to hell. Do you agree with this interpretation or do you believe otherwise?
3. Read verse 8. What is Paul talking about and how do we practically obey?
4. Read verses 1 and 2 of chapter 6. Are there exceptions to this rule?
5. Read verses 9 and 10. Are there exceptions to this rule?
6. Why do you suppose Paul brings up the subject of the resurrection in verse 14?
7. Read Psalms 145-150. What verse or Psalm speaks to you?
