

I Corinthians 12:7-11

Sunday August 6, 2023

Is there someone or something you voted for, given the opportunity, you would change your vote?

1. Read I Corinthians 12:7-11. Paul does not define any of the gifts. Why do you suppose that is?
2. According to your best guess, define the gift of wisdom. How do you suppose that differs from the gift of knowledge (verse 8).
3. Read verses 9. Since we are not cessationists, do you suppose there are “healers” today?
4. Read verse 10. Concerning “discerning of spirits” shouldn’t we all possess this gift? If not, why does John give us this command in I John 4:1?
5. Read Proverbs 30 and 31. What verse speaks to you?
